Instituted by Marion Military Institute as per the Alabama State Board Policy 805.02: Student Aid Programs: Institutional Scholarships/Waivers 1.1.3 drafted as of July 15, 2008 and effective 05-24-05:

Athletic scholarships/waivers are awarded to an athlete for participation on a college-sponsored intercollegiate athletic team. Athletic scholarships/waivers include loan of books in addition to a waiver of tuition and fees. Tuition waiver for athletes includes both in-state and out-of-state tuition.

I, _____, have read and understand the athletic scholarship book loan policy which states that the book scholarship awarded to me is indeed a loan. I understand that I will be allowed to charge the cost of all of my required books in the bookstore on a specified day designated by the Bookstore Manager and the Director of Athletics. I understand that I do not have to purchase any required books with my own funds; therefore, the books are on loan to me by the Marion Military Institute Bookstore. I agree to return all required books to the Bookstore by the specified time at the end of each semester understanding that they must be returned in good and favorable condition. If I do not return my textbooks, I understand that I will be responsible for paying for 50% of the cost of the textbooks.
